

The *Livingston Locavores* was created for three reasons, 1. to financially support the Farms for Families organization, 2. to promote local food processing, and 3. to encourage the year-round consumption of local foods. We will do our best to accommodate the different needs of our members and their families, including organizing special processing times and farm related events.

Name and Address

Telephone or Contact information (please include email, your information is confidential)

I have _____ people in my family. I have _____ children aged _____, and do not mind having children present during processing activities.

I have _____ people in my family, but prefer processing only with adults.
Local foods I would like to obtain.

I would be interested in learning how to process

Do you have any other questions? _____

Please enclose your contribution of \$25.00 and send it to,

Farms for Families
315 South 8th Street
Livingston, Montana 59047

Thank you for supporting your local farmers!
